vandal resistant fixtures

## vandal resistant signal fixtures for tough duty

Our **Vandal Resistant** line of signal fixtures is specially made for both new and modernized installations in challenging environments. Smart design and ultra-durable materials make these fixtures the line of choice when extra protection is needed.

### Vandal Resistant fixtures offer numerous advantages:

- Fixtures are in full compliance with all national fire service codes for both the U.S. and Canada.
- Braille plates feature highly durable, cast tactile markings that meet the most stringent requirements.
- Illumination is provided by LEDs for extended life span.
- Fixture devices are both impact- and pry-resistant.

### Vandal Resistant Car Fixture Features

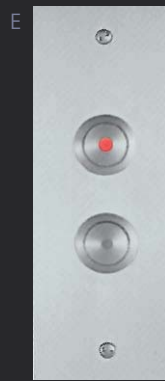

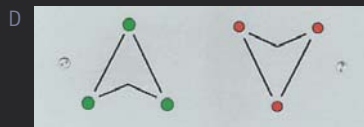

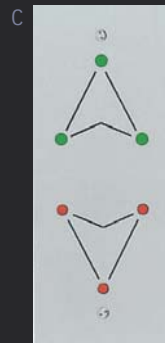

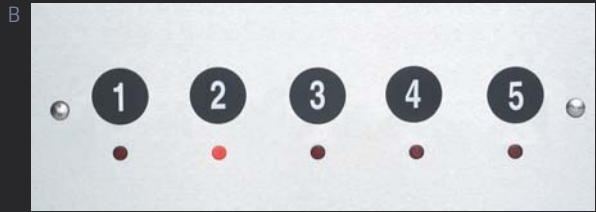

- A wide range of finishes, including brushed and polished stainless steel
- Cast plaque or engraved Fire Service Phase 2 signage
- Fire phone jack
- Choice of Rath or EMS phones
- Metallic, impact-resistant buttons and halos. Center jewel illuminates red
- Discrete or electronic dot matrix position indicator that displays car location in hoistway with matrix of red, LED-illuminated dots
- Black, round, die-cast Braille plates (with white raised characters), mounted flush with faceplate and mechanically fastened from rear
- No Smoking symbol

### Vandal Resistant Hall Fixture Features

- A wide range of finishes, including brushed and polished stainless steel
- Metallic, impact-resistant buttons and halos. Center jewel illuminates red
- Pry-resistant, flush-mounted door jamb symbols that comply with the most stringent requirements
- Position indicators that identify each floor using a white character on a replaceable, black cast disc; location of car in hoistway displayed by LED-illuminated red jewel beneath each floor marking
- Spanner head screws
- LED hall lanterns that illuminate green for "Up" and red for "Down"
- Space available for a fire phone jack
- Numerous styles of graphics and signage, including such standard signage as "In case of fire..."
- Lobby panel
- Combination hall lanterns and position indicators for sleeker design

### Superior Products, Superior Service

At ThyssenKrupp Elevator, our quality standards are so stringent that no one comes close to providing more reliable and durable end products. The result? Peace of mind that comes from knowing we're completely committed to providing you with superior products, along with superior service that is second to none.
