

Statement GRI Application Level Check

GRI hereby states that **ThyssenKrupp Elevator Americas** has presented its report “Motion. Movement. Momentum: Sustainability at ThyssenKrupp Elevator 2009/2010” to GRI’s Report Services which have concluded that the report fulfills the requirement of Application Level A.

GRI Application Levels communicate the extent to which the content of the G3 Guidelines has been used in the submitted sustainability reporting. The Check confirms that the required set and number of disclosures for that Application Level have been addressed in the reporting and that the GRI Content Index demonstrates a valid representation of the required disclosures, as described in the GRI G3 Guidelines.

Application Levels do not provide an opinion on the sustainability performance of the reporter nor the quality of the information in the report.
